Washington, May 24.—A freight rate
war among the railways operating in
the territory east of Chicago and north
of the Ohio and Potomac rivers—classi-
fication territory—is likely to be pre-
cipitated by the action of the Delaware
& Hudson company in filing with the
interstate commerce commission a tariff
making a reduction in the class
freight rates between New York City
and Chicago. Taking advantage of an
order issued by the commission several
days ago, granting the Delaware & Hud-
son permission to make rates lower for
a longer than for a shorter haul in the
same direction and by a new route, the
Delaware & Hudson has filed a tariff
effective June 15, which reduced the
freight rates from New York to Chi-
cago from 75 cents a hundred pounds,
first class, to 62 cents a hundred pounds,
the rates on other classes of freight
being proportionately lower. The new
route taken advantage of is by Hudson
Navigation Company & Murray's line,
from New York City to Albany, thence
by Delaware & Hudson road to Chicago.
By the new tariff the rates to the in-
termediate points between New York
and Chicago are proportionately higher
than they are for the full distance. No
reason is known to the interstate com-
merce commission for the proposed cut-
ting of rates.

The Morrisville Messenger has been
reading the political skies of New York
and finds "Indication that Hon. Allen
M. Fletcher of Cavendish may be a
candidate for governor in 1912. That
he can have the support of many strong
and influential men; that he is in every
way worthy and well qualified for the
position; that he has been found in
several legislative sessions on the side
of the people on most questions and
that he would prove a popular candi-
date, there is no question. If there
is not a real call for his candidacy from
the people. He will run no money
campaign and no 'barrel' will be
opened in his behalf. He is not that
kind of a man." What the Morrisville
neighbor says is quite to the point, but
how will some people feel about the
suggestion that Mr. Fletcher does not
propose to open a "barrel" if he goes
into the campaign—several state sena-
tors for instance who nearly fell over
themselves to strangle the impudent
corrupt act measure the moment it
pushed its measly nose through the
Senate chamber door after its cordial
reception in the House?—Northfield

IN BOSTON MARKETS

Demand for Butter Good, Egg Supply
Large With Prices Firm.

Boston, May 24.—Local receipts are
still running very light for this
season of the year and with the demand
good, the market is kept very closely
sold up. Prices are very firm on all
desirable goods and the trend is up-
ward. Fancy creamery in 20 and 30-lb.
tubs is bringing 23c in a wholesale way
the demand for these packages being es-
pecially brisk owing to the warm weather.
In a jobbing way these packages
bring 24c readily, the lower prices being
for large tubs.

The cheese market is steady on old
goods, supplies of which are well used
up, but an easier tendency is noted in
new cheese, receipts of which are in-
creasing and being rather poor quality
sell slowly. Cheese is lower in the pri-
mary markets. The egg supply is large,
but a good many consignments show
the effect of the heat; the offerings of
fancy goods consequently are none too
large for wants, and command firm
prices.

Jobbing quotations:
